QUIGLEY AS AN OPTIMIST.

SEES WONDERFUL GROWTH OF ROMAN CATHOLIC CHURCH.

Standing the Only Man Among 800 Women, the Archbishop Declares He Has Been Deeply Impressed by the Progressive Spirit of the West—Forecasts the Time When the Religion He Represents Will Lead the World.

"Since I have seen the western parochial schools I have come to the conclusion that in fifty years, if things go on as I see they are going on at present, the Catholic church will actually own the west."

Such was the optimistic declaration of Archbishop Quigley last night before the Children of Mary sodality at the Holy Name parish school, Chicago avenue and Cass street. The occasion was a reception given to the archbishop by the members of the sodality, and the prelate was the only man in a gathering of 800 women.

The archbishop was introduced in a brief speech by the Rev. John J. Code, who then disappeared, leaving the archbishop alone among the women of the sodality. His opening words were devoted to a series of graceful compliments to his hearers.

Finda Chicago as Represented. "Before I came to this city I had heard that Chicago people were given to boasting," he said. "Now I fear I am coming to be something of a boaster myself where Chicago is concerned. Since I have been here I have found Chicago just as the boasters had represented it."

"It is true I have seen little of the city. They have kept me so busy up at my residence I have not had time to see Chicago. Why, I have hardly been downtown yet. I am looking forward to the time when I am going to go down into the city all alone and become lost in Chicago."

"However, I have had the opportunity to see a few of the churches and schools in the diocese, and I have gained some idea of what a magnificent, big Catholic city Chicago is. Since I came here I have visited Joliet, and in that city I visited one of the parochial schools. It was the first time I had seen a parochial school in the west."

America to Rule the World.

"Within twenty years this country is going to rule the world. Kings and emperors will soon pass away, and the democracy of the United States will take their place. The west will dominate the country, and what I have seen of the western parochial schools has proved that the generation which follows us will be exclusively Catholic. When the United States rules the world the Catholic church will rule the world."

"The people of the east do not know of the importance of Chicago in the west. The Catholics know that Chicago is one of the great Catholic centers of the world. In fifty years Chicago will be exclusively Catholic. The same may be said of greater New York and the chain of big cities stretching across the continent to San Francisco."

"It has never forced itself on me—this conviction—as it has since I have been in Chicago. I am simply overcome by it. I am not telling you this to flatter you. I mean what I say. When I see what is going on I am more than pleased. Nothing can stand against the church. I'd like to see the politician who would try to rule against the church in Chicago. His reign would be short indeed."

Encouragement for Sodality.

"This sodality has the power to accomplish much toward the advancement of the church. Your opportunity lies in the line of the help which you may find in your power to give to your pastors. Unless some rare occasion should present itself, there is no way in which you may directly aid me, but the help you may give me through the organization I am in need of. It is by this and through the saving of your own souls that you can do the greatest good for the church."
